PROJECT EXCEL

Project EXCEL, Indiana's first dual credit/concurrent enrollment program, offers transcribed college credit to eligible high school students who enroll in VU courses offered at their local high school or career/technical center.

PROGRAM FEES

Project EXCEL students pay only \$25 per credit hour - a significant savings over traditional college tuition!

STUDENT ELIGIBILITY

Project EXCEL courses are available to high school juniors and seniors. Students must meet all applicable course prerequisite requirements established by Vincennes University and /or Project EXCEL.

CURRICULUM STANDINGS

- Each course covers the same content, has the same expectations, and gives the same credit as those taught on the VU Campus.
- High school teachers are required to follow the VU syllabi and course objectives, with some flexibility to accommodate individual teaching styles.
- Textbooks are evaluated and approved by the VU mentor and/or academic department.

BENEFITS TO STUDENTS

- A way to fulfill Academic Honors and Technical Honors diploma requirements.
- Get an early start in college and prepare for the challenge of college coursework.
- Opportunity for hands-on experience in career and technical courses.
- Reduced fees - a significant savings over traditional college tuition fees.
- Program fees are waived for students who qualify under the Free and Reduced Lunch Program.

BENEFITS TO TEACHERS

- An opportunity to engage and prepare your students for college level coursework.
- Receive a stipend based on student enrollment.
- Be recognized as a VU adjunct faculty member.
- Participation in a yearly professional development session.

TRANSCRIPTS AND CREDIT TRANSFER

College credit earned through Project EXCEL is transcribed credit and will become part of the student's official academic record at VU. A transcript can be provided at no cost to any college or university at the student's request.

While most colleges and universities will accept credit earned, approval resides at the accepting institution. For more information regarding credit transfer through the Indiana Core Transfer Library, please visit www.transferin.net/CTL
