Message From Vincennes Kiwanis President

During this past year, the Kiwanis Club of Vincennes helped the Vincennes area community by giving money and personal time to various clubs and projects. The funds raised by our club go directly back into this community, with children being our number one priority. During the last year, we were able to donate over \$13,000.00.

Here are some of the projects and groups we've supported this past year:

American Legion Fireworks
B.A.B.E of Knox County

Prevent Child Abuse - Indiana
Salvation Army
Susan Komen Golf Outing
South Knox Baseball
Vincennes Cub League

Our Kiwanis Club meets every Thursday at Noon at the Knights of Columbus. Please feel free to attend a meeting and consider becoming a member with other civic-minded community leaders. We'd love to have you join us as we work to serve and build a better Vincennes and Knox County. Our members invest their time and talents in many ways throughout the year to make our community a better place to live and work. Our camaraderie and fellowship is truly one-of-a-kind. Please join us and become part of a great team - **the Vincennes Kiwanis.**

Thank You to our Community Sponsors and Vincennes University. Go Blazers!
