

VINCENNES UNIVERSITY SCHOLARSHIPS AND GRANTS

All scholarship applications will be reviewed by the University for an appropriate scholarship match. However, the committee will give fullest consideration for scholarships and grants to students whose scholarship applications and admission applications are received by **January 15, 2009**. After the deadline scholarships are awarded on a rolling basis. We also strongly recommend that each family file the Free Application for Federal Student Aid (FAFSA) by March 10th each year, even if you do not think you will qualify for federal or state financial aid grants.

NOTE: All valedictorians and salutatorians are required to file a FAFSA by MARCH 10th each year in order to be eligible for the Val-Sal scholarship.

Each year, Vincennes University and the Vincennes University Foundation provide approximately half a million dollars in scholarships and grants to help students reach their educational goals. Our awards are specific to this institution, which means **the recipient must attend Vincennes University**. General qualifications, as well as an approximate amount of each award, are specified in this booklet. Please be aware that the actual amount varies from year to year based on available funds and, in some instances, more than one person may receive funds from the same scholarship.
