Agriculture Transfer Program

- At Vincennes, you take Purdue College of Agriculture classes and complete foundation courses in communication, science, and math.
- All Vincennes University agriculture courses are certified by Purdue to ensure courses transfer.
- Once at Purdue, you choose from 40 agriculture majors.
- We have a good track record. Since the program started in the 1950s, hundreds of Vincennes students have made the seamless transfer to Purdue.

General Agriculture

Let General Agriculture at Vincennes University open the door to production agriculture careers in:

- Agricultural Sales and Marketing
- Agricultural Systems Management
- Farm Management
- Landscape Horticulture and Design
- Horticultural Production and Marketing
