NOTE: *Students are encouraged to enroll as early as possible to ensure our ability to advise both instructors and students whether their classes will make. VU office staff will assist regarding registration through the GoArmyEd system. Students who have not yet done so, must take the English/math diagnostic exams. Be assured that those who do not make the qualifying score for ENGL or MATH 101 may take developmental ENGL 011 and/or MATH 012 with TA paid by the Army. Because VU charges no admission or testing fees and also loans textbooks without charge, your two-year associate degree is essentially free and fully transferable to 4-year institutions.*
