

The Vincennes University Biology Club is offering a survival pack service to your students for final exam week. A survival pack is a bag filled with both edible and non-edible items that will be delivered to your student during the week of finals. There are two package options for you to choose from. The \$20 package will include candy, Kool-Aid, Lipton Ramen Noodles, taffy, gum, Kleenex, chips, Scantron forms, pencils, microwave popcorn, Pop Tarts, hot chocolate, cereal, note pads, index cards, Easy-Mac, and other great items. The \$30 package will contain more of the above mentioned plus a few other treats like coupons from area businesses, bottled water with crystal light packets, fruit, highlighters and gourmet cookies!

The delivery of the Survival Pack will be made on Thursday before the week of finals, so order one today for your college student and let them know you care. Order forms are being mailed to the home address. Please order no later than Friday, April 24, 2009. Late orders will not be accepted. The order form will accompany the package, so feel free to write in a special message with your order. If you have any questions contact Biology Club sponsor, Mr. Curt Coffman at (812)888-4226 or [ccoffman@vinu.edu](mailto:ccoffman@vinu.edu).

Please write dormitory name and room number on form.

Thank you for supporting the Biology Club!
