

ASN Point Calculation-Previous College Experience Admission

Vincennes University Nursing Program admission is based on a point calculation compiled from the applicant information on file. Due to the high volume of applications, it is the applicant's responsibility to ensure that all required documentation is on file. Admission is competitive and compliance with all criteria does not guarantee selection for the program. 20% of ASN admission from the Vincennes and Jasper Campus will be guaranteed for applicants directly from high school. A complete listing of admission requirements and program criteria can be found in the University catalog at www.vinu.edu/catalog. Applicants may only apply for one program/one campus.

Student _____ A# _____

() Jasper Campus () Vincennes Campus

Chemistry

- Points: A=5 B=3 C=0
- ☐ 2 semesters of high school chemistry (grade of C or better within the past 5 years)
- ☐ Appropriate college chemistry completed with a grade of C or better. _____
- ☐ Microbiology transfer credit supersedes chemistry requirement

Grades: _____ Chemistry Points: _____

Previous College Credits Completed

Applicants cannot hold a current grade less than a C in a required course. Courses may only be repeated one time in order to achieve a grade of C or better. Courses completed at other colleges must transfer in order to receive points. 2 points will be deducted for any course repeated from a grade below a C-.

Category I: English and Math. Points possible A=2 points B=1 point C=0 points
