

**FINAL EXAM SCHEDULE FOR FALL 2021**  
**Monday, December 6, 2021 – Thursday, December 9, 2021**

Final examinations are given at the end of each semester. Below is the Final Examination Schedule for Fall Semester 2021 as released by Rick Kribs, Assistant Provost of Curriculum and Instruction.

Students are not expected to complete more than three course final examinations on any one day. If the published schedule calls for any students to complete more than three final examinations on any one day, the student should notify their instructors first and then the college office of the course(s) involved. Students should report any problems no later than **Monday, November 29, 2021**.

**Part I** consists of an alpha-numeric list of the multiple-sectioned classes for which a specific examination time has been assigned for all sections of that particular course offering. For example, all students enrolled in **MATH 102 College Algebra** will take the final exam for that course on **Tuesday, December 7, 2021 at 6 p.m.**

**Part II** consists of a list of the typical MWF and TR class meeting times. Check for the first meeting time of the primary activity (probably lecture) of your class. For example, if you are enrolled in a class that meets from 9-9:50AM MWF (Monday, Wednesday & Friday) or 9-10:50AM MTWR (Monday, Tuesday, Wednesday, Thursday), your final examination for that class will be **Monday, December 6, 2021 at 8 a.m.** If you are enrolled in a class that meets from 9-9:50 T/R (Tuesday & Thursday) your final examination for that class will be Thursday, **December 9, 2021 at 8 a.m.**
