NCLEX Pass Rate data provided by official results from Indiana State Board of Nursing

National NCLEX Pass rates (provided by NCSBN)

	2017	2018	2019
All Programs, 1 st time	87.11%	88.29%	88.18%
ASN Programs	84.24%	85.11%	85.17%

Job placement rate data represents those who responded to the survey. Job placement rates are calculated by dividing the number of those who reply who are employed as a RN by the number of respondents.

*Aggregated totals include both the Traditional ASN Program and ASN Completion Concentration for LPNs. Information regarding specific ASN Completion Concentration data can be found at <https://www.vinu.edu/web/guest/major/nursing-asn-completion-concentration-for-licensed-practical-nurses>
