- ➔ Credit hours listed - the number of credit hours students will earn on their official VU transcript, for each course.
- ➔ Weekly Class Hours - the number of lecture and/or lab hours the course runs on the VU campus, EACH week, based on a 16 week semester.
- ➔ Total Class Hours - the minimum number of contact hours (lecture and/or lab) the student must spend in the classroom, during the term in which the course is taught, in order for the student to earn VU dual credit through Project EXCEL.

Students may utilize qualifying scores from more than one test administration. For example, a student may use a qualifying SAT reading score and a qualifying Accuplacer Writing score for placement into ENGL 101.

### World Language Placement:

Students interested in taking FREN 103/201 or SPAN 103/201 classes must meet course prerequisite requirements or participate in advanced placement departmental testing. The instructor should contact Steven Gregory, VU World Languages and Cultures Department Chairperson, to receive instructions on administering advanced placement testing for world language courses. Professor Gregory may be reached at 812-888-5406 or [sgregory@vinu.edu](mailto:sgregory@vinu.edu).
