

ANATOMY & PHYSIOLOGY

Interactive Websites

Get Body Smart-An online examination of human anatomy and physiology. Animated text narrations and quizzes to explain the structures and functions of the human body systems.

- <https://www.getbodysmart.com/>

Instant Anatomy-Contains interactive anatomy, video and audio podcasts, lectures, apps for iPad, iPhone and Chrome. This site is from the UK and has more content available by subscription.

- <http://www.instantanatomy.net/>

Anatomy and Physiology Resources by Rose Marie Chute-Contains numerous links to videos, interactive simulations, and tutorial links.

- <http://apchute.com/ap1int.htm>

InnerBody-Includes hundreds of interactive anatomy pictures and descriptions of thousands of structures in the body, through 2D and 3D simulations.

- <http://www.innerbody.com>

Cold Spring Harbor Laboratory-Includes the whole brain in 3D, consisting of 29 interactive structures that can be rotated in 3D space. Each structure contains information on associated functions, disorders, brain damage, case studies and links to contemporary modern research.

- <http://www.g2conline.org/2022>

Online Labs – Anatomy “a list of freely available online anatomy, physiology and virtual dissection lab resources.”

- <http://oninelabs.in/anatomy>

Informational/Instructional Websites & Videos

Hole’s Human Anatomy & Physiology-Important concepts, detailed videos, quizzes and tests for each chapter. 24/7 online access to an eBook—an online edition of the text.

- http://highered.mheducation.com/sites/0073378275/student_view0/chapter1/index.html

Human Body System Rap-A song to help you memorize the organ systems, what they include and how they work.

- <https://www.youtube.com/watch?v=0yjLJfz6saU&feature=youtu.be&t=149>

University of Arkansas for Medical Sciences-Anatomy Tables organized by system and region.

- <http://anatomy.uams.edu/AnatomyHTML/medcharts.html>

WolframAlpha-Computational Knowledge Engine that allows you to discover anything you need to know about the body.

- <https://www.wolframalpha.com/examples/LifeSciences.html>
- <https://www.wolframalpha.com/examples/HealthAndMedicine.html>
- <https://www.wolframalpha.com/examples/UnitsMeasures.html>

ANATOMY & PHYSIOLOGY, *continued*

Terminology, Games and Practice Tests

Medical Dictionary-Abridged medical dictionary with web based flashcards.

- <https://medicalterminology.guide/medicalDictionary> Medline Plus-Medical word parts with meanings.
- <https://medlineplus.gov/appendixa.html>

Anatomy Physiology Study Guide-Provides tools to help you learn and retain what you are learning in class, including videos, memorization techniques, songs and tips on how to become a better A & P student.

- <http://anatomyphysiologystudyguide.com/>

Introduction to Anatomy-Printable worksheets of the body cavity, charts to describe body regions and organ systems concept map to show how everything is connected.

- <http://anatomycorner.com/main/anatomy-topics/introduction/>

The Human Body Systems-Thorough chart of the body systems, major organs, functions and interactions.

- <http://www.wsfcs.k12.nc.us/cms/lib/NC01001395/Centricity/Domain/8472/Body%20Systems%20Interactions%20chart.pdf>

Printable Anatomy Worksheets-Printable worksheets of the body systems body parts.
