## **Professor Notification and Release of Information**

*If you are requesting accommodations for your classes, you are responsible for notifying your professors and discussing your accommodations each semester. Once your accommodations are approved by Diverse Abilities and Accommodations, a letter will be available for you to take to each of your professors. Please provide a signature (electronic accepted) and today's date if you agree that Diverse Abilities and Accommodations may speak to and work with your professors and other university staff to set up appropriate services and accommodations for your classes.*
