Winter 2021
Volume 19, Issue 2

A note from the Director– Nick Palmer

2020 was a year unlike any of us had ever experienced. Due to the pandemic, ETS had to alter the way we provided our services to our students. 2021 will be a year of partnerships and activities, as ETS is partnering with Vincennes University to provide unique exploration in the fields of robotics, agriculture, and health care. More information regarding these activities will be released in the next couple of months. Please be sure to watch for this information!

Right now, we need your help! ETS has worked with the Art and Design Department Students at Vincennes University to redesign the ETS Logo. We are needing your help in deciding which design is the best for ETS. We are needing you to vote for one of the two final choices. To vote, go the Google link below. The winners will be announced on Tuesday, February 9, 2021.

Click on the link below (or copy and paste the link into a web browser) and let us know which one is your favorite!!

Do you have a friend or sibling that is interested in joining our program? Let your Outreach Advisor know.

Any questions, you can call our Vincennes office at (812) 888-4298 or Ft. Branch Office (812) 888-2878.

Attention Seniors!!!

If you have not filed your FAFSA, now is the time to do so. The deadline to file is April 15, 2021. If you have completed your FAFSA, be sure to check your SAR report to make sure there are no corrections that need to be made. If you need assistance, please let your Outreach Advisor know!

College Applications

Don't forget that many colleges have deadlines for applying. Talk to your Outreach Advisor. They can help you fill out the college applications and understand the process.

Check out the latest testing dates and sites for taking the ACT/SAT and latest information due to COVID-19.

If you have any questions, please let your Outreach Advisor know!

Ball State University is a public research university in Muncie, Indiana. It has two satellite facilities in Fishers and Indianapolis. On July 25, 1917, the Ball brothers, industrialists and founders of the Ball Corporation, acquired the foreclosed Indiana Normal Institute for \$35,100 and gave the school and surrounding land to the State of Indiana. The Indiana General Assembly accepted the donation in the spring of 1918, with an initial 235 students enrolling at the Indiana State Normal School – Eastern Division on June 17, 1918

Ranking: #284 National University tie (2021)

Acceptance rate: 65.00% (2019-20)

Tuition: in-state \$10,140 / out-of-state \$27,130 (2020)

Undergraduates: 16,160 (2018)

Enrollment: 21,597 (2020)

Did you know that Virtual Job Shadow can help you with career and college choices? Ask your Outreach Advisor on how to sign up to use this valuable learning tool.

Physical Therapists

What Physical Therapists Do

Physical therapists help injured or ill people improve movement and manage pain.

Work Environment

Physical therapists typically work in private offices and clinics, hospitals, patients' homes, and nursing homes. They spend much of their time on their feet, actively working with patients.

How to Become a Physical Therapist

Physical therapists entering the occupation need a Doctor of Physical Therapy (DPT) degree. All states require physical therapists to be licensed.

Pay

The median annual wage for physical therapists was \$89,440 in May 2019.

Job Outlook

Employment of physical therapists is projected to grow 18 percent from 2019 to 2029, much faster than the average for all occupations. Demand for physical therapy is expected to come from aging baby boomers, who are not only staying active later in life but are susceptible to health conditions, such as strokes, that may require physical therapy. In addition, physical therapists will be needed to treat people with mobility issues stemming from chronic conditions, such as diabetes or obesity.

IMPORTANT ANNOUNCEMENTS

This Summer ETS will be hosting camps based on Agriculture, Health Sciences, Robotics in addition to middle and high school trips. Pay attention to future newsletters for information on how to sign up!
