Meet Our Director- Lynn Altstadt

Lynn Altstadt, a former Outreach Advisor, has now taken the helm at the Director's position. Prior to being named the ETS Director, Lynn spent 3 1/2 years as an Outreach Advisor for North Knox, Sullivan, and White River Valley schools.

Lynn and her husband Don reside in Vincennes. They have four adult children. Their three youngest sons are currently in college and their daughter is a teacher.

"Mrs. A" as many of her students call her, is excited for the future of ETS.

Welcome New Staff Members

Taletha Provines

After working a combined total of 8 years at Vincennes University as a college secretary and in Financial Aid, Taletha decided she wanted to make a difference in the lives of younger students, giving them the resources for not only success in high school, but also in college.

Taletha is the Outreach Advisor for Sullivan High School, Sullivan Middle School, Shakamak Junior-Senior High School, and North Knox Junior-Senior High School.

On her days off, you can find Taletha spending time with her family, horse, and dog. She enjoys horseback riding, camping, reading, listening to music, swimming, and biking.

Will Meyer

Will Meyer is the new Outreach Advisor for Clark Middle School, Lincoln High School, Linton-Stockton Middle/High School, and Carlisle Middle School.

Will comes to ETS from Clark Middle School in Vincennes as a long-term substitute teacher for the past year and a half. He will also continue to work as a Youth Ministries Director at a local church. He has held this position for 8+ years serving middle and high school age students.

Will came to ETS because he enjoys helping students. He is looking forward to helping them reach their potential to succeed in middle/high school and go on to complete their post-secondary education.

ETS offers FREE anytime, anywhere homework help through Tutor.com. If you need assistance with log-in/password information, let your Outreach Advisor know!!

Information Security Analysts

What Information Security Analysts Do

Information security analysts plan and carry out security measures to protect an organization's computer networks and systems.

Work Environment

Most information security analysts work for computer companies, consulting firms, or business and financial companies.

How to Become an Information Security Analyst

Information security analysts typically need a bachelor's degree in a computer science field, along with related work experience. Employers may prefer to hire analysts who have professional certification.

Pay

The median annual wage for information security analysts was \$102,600 in May 2021

Purdue University is a public land-grant research university in West Lafayette, Indiana, and the flagship campus of the Purdue University system. The university was founded in 1869 after Lafayette businessman John Purdue donated land and money to establish a college of science, technology, and agriculture in his name. The first classes were held on September 16, 1874, with six

instructors and 39 students. It has been ranked as among the best public universities in the United States by major institutional rankings, and is renowned for its engineering program.

The main campus in West Lafayette offers more than 200 majors for undergraduates, over 70 masters and doctoral programs, and professional degrees in pharmacy, veterinary medicine, and doctor of nursing practice. In addition, Purdue has 18 intercollegiate sports teams and more than 900 student organizations. Purdue is the founding
