

Tutoring will be moving to a virtual format during remote learning times, December 1 - 11.

Students can access tutors by making an appointment through MyVU. Tutors are available in a variety of subjects and instructions for making an appointment can be found here:

<https://www.vinu.edu/web/learning-support-services>

Some labs will offer non-tutoring services in other formats. **For students enrolled in qualified courses, Brainfuse on demand tutoring is available through Blackboard.**
